W

feature wines - Tasmania

One of the most climatically diverse wine growing regions in Australia, Tasmania is ideal for growing intensely flavored Aromatics, Chardonnays and Pinot Noirs. The Tasmanian landscape is dominated by mountains that shelter the state's wine regions from high winds and rainfall. On the lower slopes, the vineyard soils are formed from ancient sandstones and mudstones and also from more recent river sediments and igneous rocks of volcanic origin.

Chu the Phat is currently featuring four great Tasmanian wines:

Jansz Premium Cuvee & Jansz Premium Rose

Btl \$60

Gls \$12

A very popular sparkling wine, the grapes for Jansz are grown on selected, cool climate vineyards across Tasmania. The Cuvee is a blend of 53% chardonnay and 44% pinot noir, with honeysuckle, citrus and a hint of strawberry. It is delicate and creamy with a lingering finish of citrus and nougat.

The Rose is a blend of 68% pinot noir and 26% chardonnay, creating notes of Turkish Delight and rose petal florals. There is a delicate strawberry flavour on the tongue with a refreshing finish.

Dalrymple Sauvignon Blanc

Btl \$60

Gls \$12

From the Pipers River region, this sauvignon blanc has flavours of lemon curd, guava and passionfruit. The natural acidity drives these flavours to a textured and clean finish. This is a great wine to pair with Asian food, particularly ginger and Asian greens.

Barringwood Pinot Noir

Btl \$60

Gls \$12

Situated in Tasmania's North West, Barringwood's vineyard overlooks the Don Valley, towards Bass Strait. The flavour is bursting with bright fruit and spicy oak, soft and savoury tannins. A great match for any spicy beef dish, the flavour will complement Asian spices rather than overpowering them.
